

XVIII Pan American Games Lima 2019
Lima, Peru

Type: Overall design / look of the games
 Clinet: Comité organizador de los juegos panamericanos Lima 2019 (copal)
 Year: 2018-2019
 Project Size: Multiple Locations

The Pan American Games are a multi-sport event governed by the Panam Sports Organization. Our intent for this Pavilion was to ensure that although it is a temporary structure, that it has a unique ephemeral quality to it. We arranged to have a plethora of bright colors and graphics sprawled throughout the site, as well as a multitude of open spaces for the public to occupy.

Partner in charge: Willy Zambrano
 Design Partner: Daniel Barrenechea
 Project Manager: Nancy Guzman
